Sonics sink Blazers

SEATTLE (AP) — Seattle guard Gus Williams scored 10 points in the fourth quarter Tuesday night as the Super-Sonics came from behind to defeat the Portland Trail Blazers, 106-101, in National Basketball Association action.

The victory assured Seattle the homecourt advantage in next week's first-round playoff series. With the loss, Portland dropped into a tie with Kansas City for the fifth and sixth playoff spots.

The Sonics, who have won eight straight and 15 of their past 17 games, took the lead for good, 96-95, on Jack Sikma's field goal with 4:41 to play. Williams turned a steal into a lay-in and after a Blazer miss, he added a 15-footer for a 100-95 lead with 3:39 to go.

After that, neither team could score consistently, but the Sonics managed to hang on as Portland turned the ball over twice in the final 30 seconds.

Sikma topped the Sonics with 24 points while guard Jim Paxson with 26 and forward Mychal Thompson with 22 led the Blazers.

Portland trailed throughout most of the first half but scored the final four points to take a 55-54 halftime lead. Reserve forward Kenny Carr came off the bench to score 11 points and grab seven rebounds in the first half.

The Blazers maintained the advantage through most of the third quarter and until midway in the fourth quarter when reserve forward Steve Hawes helped the Sonics close the gap. Hawes finished with 16 points and nine rebounds.

AW's Tabb hospitalized

PORTLAND (AP) — World record-setting distance runner Mary Decker Tabb was admitted to University Hospital here Tuesday afternoon for evaluation of injuries she suffered in a traffic accident Monday in Eugene.

Hospital spokesman Chuck Williams said Tabb was listed in fair condition.

"She's just uncomfortable and has some minor complications," Williams said.

"It is a precautionary measure," said Dick Brown, Tabb's coach at Athletics West in Eugene. "It is mainly to get her settled and rested and to let nature take its course."

Tabb complained of neck pain at the scene of the accident and was taken by ambulance to Sacred Heart Hospital where she was treated and released. Continued neck pain and headaches led to the decision to go to the Portland hospital.

She was riding in an automobile owned and driven by John Gregorio, the national promotion director for men's track and field for the Nike athletic shoe company. The two were stopped, preparing to make a turn, when they were rear-ended by a milk truck. The car was heavily damaged.
