

RIM has something for everyone

A wide variety of activities are available to all students spring term through the Recreation and Intramural office. Among the 19 structured programs planned are four new spring events: a golf scramble tournament, indoor soccer league, four-on-four basketball and flag football have been added to the list of spring activities.

Among old events, softball is in full swing with about 150 teams participating at various levels, as is a single-elimination team tennis tournament.

A complete schedule of activities is listed below. Those preceded by an "x" are intramural sports.

Divisions are coded as follows: M-men, W-women,

C-coed.

A complete schedule of facilities and the hours they are open follows the events schedule. To make reservations for the covered tennis courts or outdoor racquetball courts.

For further information regarding activities, contact the RIM office in 103 Gerlinger (686-4113).
