daily emerald career guide

4

When most recruiters come to the campus they look for students a cut above the average. Three companies talk about what they look for in deciding who is a cut above the average.

11

How much does a degree in philosophy mean? How much does an English degree mean? The two fields of study don't look marketable at first glance, but look again.

12

Internships are a way of gaining experience as well as trying out career opportunities - they also look good on your resume. The Emerald offers a comprehensive look at internships around the University.
