## Police beat

Campus-area crimes recently reported to the Eugene Police include:

**Two 19-year-old men** tried unsuccessfully to break into an EMU Deli cabinet Monday about 11 p.m., but were spotted by employees and ran from the building, Officer Mike Larion said.

Police arrested Bret Murphy, 100 Braeburn Drive, Eugene, and David Peterson, 5210 Saratoga, Eugene, of second-degree burglary, although the men denied ever being in the EMU. Both said they were looking for a campus frisbee game, which they could not find, Larion said. Peterson later admitted being inside the EMU to take a short cut through the building. Peterson entered the building, which closed at 9 p.m., through a loading dock door in the kitchen.

The two men had been told earlier that evening by EMU

employees to leave the building because they were in an area they shouldn't have been in, Larion said.

**A male student was followed** from Johnson Hall to 13th Avenue and University Street by another male July 26 at 3:15 p.m., who then started asking the student personal questions and threatened to assault the man if he did not walk in the other direction, Officer Darwin Dragt said.

The suspect was described as a white male, about 5-feet 9-inches, age 16 to 18, with brown hair and brown eyes. He

was wearing a white sweat shirt, blue jeans and had a gold 10-speed bicycle. Police have identified no suspects, Dragt said.

**A man reportedly burglarized** an unlocked room in the Pi Kappa Alpha fraternity at 1910 University St. sometime between July 19-20, Dragt said. A camera, telephoto lens and flash — all made by Olympus — and a tripod of unknown brand, worth a combined value of \$875 were reportedly stolen from the room. Police have no suspects.

## Judge hears testimony in herbicide hearing

A three-day hearing began yesterday in Eugene's Circuit Court on a landmark lawsuit aimed at halting — at least

temporarily — all herbicide spraying by the government in Oregon and Washington.

Three environmental groups filed the suit on June 21, charging the U.S. Forest Service and the Bureau of Land Management with consistently violating requirements of the National Environmental Policy Act.

Northwest Coalition for Alternatives to Pesticides, the Oregon Environmental Council and the Audubon Society of Portland are calling for a permanent injunction against herbicide spraying until the government agencies comply with NEPA requirements to prepare adequate cost-benefit and worst-case analyses for 23 environmental assessments in Oregon and Washington.

The suit is the first ever to request a spraying ban for an entire region.
