

GENERAL INFORMATION

BUS STOPS

Bus stop signs are placed approximately every two blocks within Eugene/Springfield. Please wait at these locations to catch the bus. On outlying area routes, wait at a safe location where the bus can pull in and out easily, and signal the bus by raising your hand as it approaches. On these routes, on dark, foggy mornings, you might use a flashlight to signal the driver.

Before you board, allow passengers to exit and let people in wheelchairs board first. Then, as you enter, deposit your fare in the coin box or show your monthly pass or transfer to the driver.

To let the driver know that you want to get off at the next stop, pull the signal cord. Signal cords run along either side of the bus by the passenger windows. Pull the cord one block from your stop. Then make your way to either door after the bus comes to a complete halt.

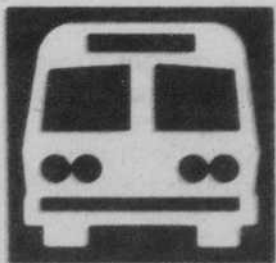

Most popular bus stops have benches and shelters for your comfort and convenience.

CHRISTMAS SHOPPER SHUTTLE

This year during the Christmas shopping season, November 21 - December 31, LTD will offer a special shuttle bus which connects the University of Oregon, Eugene Downtown and the Fifth Street Market shopping district. You can ride the shuttle FREE for your shopping convenience, compliments of the merchants at the Fifth Street Public Market, the Eugene Downtown Association and the Fifth Avenue Special District. Watch for more details in your newspaper.

TRANSIT STATIONS AND SHELTERS

Central transit stations are located at 5th and North B Streets in Downtown Springfield, on River Road at Beltline and on 10th Avenue in the Eugene Downtown Mall. All feature comfortable shelters, lighted waiting areas, information displays and bicycle racks. The River Road Transit Station also includes a Park and Ride lot serving 150 cars.

The Eugene Transit Station is the focus of the bus system, with routes connecting from there to all neighborhoods of Eugene-Springfield. Seven large shelters highlight the facility, each serving a distinct area of the community and identified by a special color and symbol. Lighting, landscaping and information displays enhance the comfort, safety and convenience of the facility.

PARK AND RIDE

Tired of traffic hassles and trying to find convenient parking? Use our Park and Ride system. You can park your car or lock your bike for free at various lots on the bus routes around Eugene and Springfield. Walk to the nearest bus stop and then ride the bus to your destination. You'll find all Park and Ride locations on the map on the center pages.

Our largest Park and Ride facility—the River Road Transit Station—is located at River Road and River Avenue. It's a convenient park and ride and transfer facility for River Road/Santa Clara residents who want to travel in and around the area, and saves time and parking hassles for those going to the Eugene Mall, University of Oregon, Lane Community College and Valley River Center. Express bus service is available from the Transit Station to the Eugene Mall.

THINGS TO KEEP IN MIND

STANDING. If all seats are taken, please stand as far to the back of the bus as possible. Hold on to the handrails and avoid standing in the stairwells for the convenience of passengers leaving the bus.

ANIMALS. Seeing eye dogs are the only animals allowed on the bus.

SMOKING. State law prohibits smoking on buses.

FOOD. Food and drink are not allowed on the bus.

BOARDING. The bus cannot stop to allow people to board once it has pulled away from the curb.

ACCESSIBLE SERVICES

If you use a wheelchair or have difficulty climbing stairs, LTD's accessible buses make the going a lot easier.

It's a special service we offer that has been well-received; in fact, among transit systems offering this service, LTD's accessible lift use is among the highest in the nation.

Routes that have lift-equipped buses are designated by the International Accessibility Symbol on the bus, timetables and bus stops. Lane Transit is having more lifts installed on its buses and by January 1984, 80 percent of LTD routes will be accessible.

CHARTERS

If you have a group or organization needing special transportation service, call Lane Transit District. For a standard fee, we can provide a bus and driver to transport your group anywhere within our Lane County service area. For more information, contact LTD Marketing at 687-5581.

BOARD OF DIRECTORS

Lane Transit District's major goal is to provide an efficient and effective public transit service for the people of Lane County.

Guiding LTD in fulfilling its goals is a seven-member board of directors appointed by the Governor. Each board member represents a different geographic area. Policy decisions on fares, levels of service, new bus purchases and so forth are made by the Board of Directors. If you have a question or opinion regarding LTD policy, come to the monthly evening board meeting which is open to the public. You can also write to LTD's Board of Directors in care of Lane Transit District Administration Office at P.O. Box 2710, Eugene, OR 97402.

Take it easy, take The Bus!
