

Control and use the true power of your mind!

It is said that we only use a fraction of our true power, ability and awareness as human beings.

What prevents us from developing FULLY as individuals and using our minds, talents and abilities to the fullest?

DIANETICS™ technology has isolated the REACTIVE MIND, that part of your inner mind where past pain, fear and negative emotions are locked up. This inner suppressor BLOCKS the true potentials of the mind, such as intuition, insight and creative power.

Some say that only "experts" should explore the "mysterious" inner secrets of the mind. But DIANETICS technology says that you have a RIGHT to knowledge and happiness! In the book DIANETICS, L. Ron Hubbard explains in simple terms how anyone can understand and control the mind to bring out the BEST in themselves.

Do as millions of truth-seeking Americans have done. Buy DIANETICS, read it, USE it.
