

Murray makes sure Series is for the Birds

PHILADELPHIA (AP) — The Baltimore Orioles rode two home runs by a suddenly revitalized Eddie Murray and one by Rick Dempsey into a new era Sunday, beating Philadelphia 5-0 and winning their first World Series in 13 years.

The five-game victory, capped by Scott McGregor's five-hitter in the finale, completed first-year Manager Joe Altobelli's

ascension to the throne vacated by Earl Weaver, who retired last winter after managing the American League club for 14 and one-half seasons.

Altobelli was an old company man in one of baseball's supreme organizations, having worked as a minor-league coach and manager for years in the Orioles' system.

In fact, they were all company men. Guys

like Dempsey, who had caught more games than any other Oriole and who, despite only hitting .231 during the season, contributed a double in addition to his home run, giving him five extra-base hits — a record for a five-game Series.

Altobelli had continued Weaver's platoon system, using six outfielders regularly, and they contributed enough to offset the disad-

vantage of having to play the Series without a designated hitter. They were Altobelli's interchangeable parts, never begrudging the other man his chance.

It was in 1979 that the Orioles made their last Series appearance, but they lost to Pittsburgh in seven games after being up 3-1.

This time, they didn't let the World Series ring escape.
