## police beat

Campus area crimes reported to the Eugene Police Department during the past week include the following:

**Delbert Story was arrested Oct. 26** for first degree robbery and attempted murder at Old Taylor's Tavern. The bartender at Taylor's said Story had been in the tavern early that day and returned at about 9 p.m. Story then asked for a brown paper bag, showed a small caliber handgun to the bartender and said: "You do it, you fill it up (with money)," according to Sgt. Rick Allison. Story,

who did not pay a cover charge, was approached by the bouncer. A struggle ensued and patrons of the tavern — mainly University students — wrestled Story to the floor and held him until police arrived. Three shots were fired.

**An auto chase that ended at the University** led to the arrest of Anthony Sung Kim, 19, on Oct. 27. Kim's vehicle was spotted in Eugene by police. A car chase with speeds up to 60 mph ended on campus at 1:15 p.m. Kim drove into the Allen Hall parking lot where he jumped out of the moving

auto. A police car was used to stop the driverless car. A University student tackled Kim, who was arrested by police for burglary, reckless endangering, and attempting to elude police. He is suspected in five other area burglaries.

**Six bicycles have been stolen** since Oct. 28.

**Three bicycle injury accidents** were reported during the week.

**A clothes dryer was damaged** at the Walton-Smith complex on Oct. 27. It will cost \$400 to repair the machine.

**A man broke into a women's dormitory room** in Carson Hall for an alleged attempted sodomy on Sunday, Oct. 30 at 5:30 a.m. The suspect is described as a white male, six feet one to six feet three inches tall, with a thin build and brown hair. The victim said her door was locked before the crime occurred. The suspect matched the description given for a similar crime that occurred in September in Walton Hall.

**An incident of public indecency** was reported outside Gerlinger Annex on Oct. 27. According to the report, a group of females were leaving the building at 6:30 p.m. when a white male leaped into their path and began masturbating. He is described as six feet three inches tall, 30 years old, 160 pounds, brown hair and was wearing a dark thigh-length raincoat and jeans.

**Two females and one male** were harassed in Pioneer Cemetery on Halloween night. The suspects "smelled like beer," according to one of the victims. The victims managed to escape without serious harm.

**A purse with contents valued at \$349** was taken from Fenton Hall on Oct. 28.

**The Excelsior Cafe reported** that a display window worth \$175 was broken on Oct. 26.

## The art final was a 6-foot painting. Your friends helped you pass with flying colors.

A deftly hurled splotch of magenta blended surrealistically, with a cascade of vermilion, occasional suggestions of orange and cobalt blue and what do you have? What else: "The Birth of the Universe."

It's the painting that completed your art final, and frankly, you couldn't have done it by yourself.

Afterwards, it's time for a little down-to-earth gratitude. You owe them at least a few Löwenbräus, not to mention the laundry bill.

**Löwenbräu. Here's to good friends.**
