Here is a list of area crimes reported to the Eugene Police Department:

An assault occurred on 15th Avenue at Alder Street Nov. 5 at 3:30 a.m. Four suspects reportedly beat a male victim. He suffered contusions and a possible fractured jaw, according to Sgt. Rick Allison of the EPD.

Two male suspects were arrested for attempting to sell a controlled substance door-to-door at Walton Complex Oct. 9 at 10:40 p.m. Students complained and police later arrested the suspects as they tried to leave the area. A stolen sawed-off shotgun was found in the suspects' vehicle. The individuals were arrested for delivery of a controlled

substance and receiving stolen property.

A backpack with contents valued at \$58 was taken from the EMU on Nov. 2.

An attempted burglary occurred Nov. 3 at the EMU when someone tried to pry open a basement door. The suspect was unsuccessful.

Criminal mischief was reported at the parking lot at 15th Avenue and Moss Street. An auto was dented and its wiper blades broken.

Twelve bike thefts were reported this week. Sixteen bicycles were stolen last week, not six as reported in the Emerald last week.

A vehicle theft was reported at the rear parking lot of the EMU Nov. 11. Property worth \$175, including cassette tapes, athletic equipment, a purse and cash, were taken.

A vehicle was broken into at 15th Avenue and Alder Street Nov. 4. Many articles were taken, including the car's convertible top worth \$150.

A purse was stolen from the law library Nov. 6. The contents were valued at \$265.

Two transients were arrested at Lawrence Hall Nov. 7. They were sleeping in a classroom and were arrested at 5:30 a.m.
