# Keller doesn't try for third

## After two terms Mayor says it's time for changes

By Michele Matassa  
Of the Emerald

Eugene Mayor Gus Keller announced in a press conference Thursday that he will not seek a third term as mayor in the upcoming May election.

"In May 1984, for the first time in 12 years, the name R.A. 'Gus' Keller will not be on the ballot," said Keller, who begins his fifth year as Eugene's mayor in January and who served four previous years on the Eugene City Council. "Anybody who has had the opportunity to serve a community for eight years should step aside," Keller said, adding "It's tough to leave the best political job in the state of Oregon."

At the time he entered office in 1976, "the state of Oregon actually had a surplus. Those times have changed. It's time for a change in leadership," Keller said.

He also said it's time he "spent more time at home."

Although he refused to announce support for his successor, Keller said candidates will have to deal with property tax relief, the proposed 1/2 percent limitation on property tax and the level of ci-

ty services, all "types of issues that somehow will not go away."

Keller also outlined the progress made by the city government during his tenure.

Relations between the city and the University are "the best they've ever been," Keller said.

University Pres. Paul Olum "feels so strongly that our relationship and our joint charring (have improved) that he says that at practically every public meeting," Keller said.

The recently formed Business Assistance Team, which is researching ways the University and the city can help each other, is evidence of the improved relationship, he said.

He also cited the development of Council goals sessions, the "putting to rest" of field-burning and the "sister city" program between Eugene and Kakagawa, Japan, as personal accomplishments.

Keller, a 1954 University graduate in business administration, served on the City Council from 1972-1976 and began his first term as mayor in 1976. He was re-elected in 1980.

Some of the key issues Keller has been involved with as mayor include negotiating field-burning regulations with the grass seed industry and working with elected officials from Lane County and Springfield to develop the Eugene-Springfield Metropolitan Area General Plan.

He also has supported economic and downtown development, including construction of the Hult Center for the Performing Arts and the Eugene Community Conference Center.

Keller, currently an investment counselor for Dain Bosworth Inc., previously worked for J.C. Penney Co.'s management training program and was vice president/general manager of John Warren's Sporting Goods. He was an investment counselor for Foster and Marshall Inc. before joining Dain Bosworth last year.

Eugene's mayor serves a four-year term and, under the City Charter, may be elected for an unlimited number of terms. The position is non-partisan and non-paid. However the mayor and City Council members are reimbursed for expenses they incur as part of their official duties.

# Police search for rape suspect

Police are looking for a man who attempted to rape a physically-handicapped woman Thursday about 1 a.m. in her apartment on East 14th Avenue near campus, said Sgt. Rick Allison of the Eugene Police Department.

The 24-year-old woman was in her bedroom early Thursday morning when she heard a tap at her window and peered through the drapes to see what was outside. When she opened the drapes, a man said he wanted to borrow the woman's telephone. The woman refused and the suspect then threatened to shoot her unless she let him inside the apartment, which she did, Allison said.

Once inside, the suspect began disrobing and the woman screamed. When the suspect grabbed

the woman's throat to silence her, she began struggling with him and smashed a heavy object against his shoulder. The suspect left immediately.

During the struggle, the woman felt the suspect place a gun against her back, but she did not see it. Allison warned that the suspect may be armed.

The suspect is probably 24 to 26-years-old, 5 feet 10 inches tall and about 150 pounds, with straight brown hair and brown eyes. At the time of the incident, the suspect had a closely cropped beard and moustache. He was wearing blue jeans and a dark blue windbreaker, Allison said.

Police classified the incident as attempted Rape I and Attempted Burglary I.
