**THX-1138**  
The first director George Lucas' films (Star Wars, American Graffiti). Very different in mood, THX-1138 relies not so much on action as it does on startling visual images to get its message across. The story concerns a future society that is completely controlled by drugs and computers. One man tries to escape, and his journey is filmed in a dazzling array of special effects. Produced by Francis Ford Coppola. SAT/APR 28 180 PLC 7 & 9 pm \$1.50, \$14-27:2529

The Council for Human Rights in Latin America proudly presents...
