

Photo by Steve Crowell

Oregon's Kathy Hayes (middle) and Eryn Forbes (far left) started in the pack in Wednesday's NCAA 10,000-meter final at Hayward Field. Neither stayed there though — Hayes clocking a collegiate record 32:43.81 and Forbes falling to 13th.

10,000 belongs to Hayes

By Steve Turcotte and John Healy
Of the Emerald

While almost everything went like it was supposed to for the Oregon men's track team Wednesday at the NCAA track and field championships at Hayward Field, things went bet-

ter than anyone could have imagined for Kathy Hayes.

Hayes, the Oregon junior who nearly had to redshirt this season because of a stress fracture in her right foot, clocked a collegiate-record 32:43.81 to win the 10,000 meters.

Hayes' time bettered the 1983

record (32:49.1) held by Florida's Beth Farmer, who was six seconds behind Hayes for fifth place. Hayes' mark also left her in fourth place on the American all-time 10,000 list — behind names like Joan Benoit and Mary Decker.
