

# WE WANT YOU TO START AT THE TOP. THEN WORK YOUR WAY UP.

You can be part of the greatest alliance in American business history — Electronic Data Systems and General Motors. This alliance combines the information processing strengths of EDS with the resources of the largest company in the nation. And with it comes vast opportunities for you — the kind that business professionals can spend their entire careers seeking. You're already starting at the top with our outstanding resources for growth and success. And the only way to go is up.

We're looking for self-starters — people with the confidence to set high goals and the determination to reach them. We want to put you at the core of EDS' operations as a Systems Engineer. EDS Systems Engineers use both business and technical skills to solve complex problems for our clients. And every EDS Systems Engineer has graduated from our nationally-recognized Systems Engineering Development (SED) Program.

The SED Program will prepare you for the leadership responsibilities you will have in the EDS and GM alliance. It lasts approximately 18 months and will undoubtedly be one of the most rigorous and rewarding business experiences of your life. You'll receive intensive classroom training, and you'll also have the chance to deal directly with our customers. You'll gain knowledge that will place you far ahead of your peers. And when you graduate, you'll have an exciting position with unlimited growth potential.

To qualify for the SED Program, you must be a college graduate with a technical aptitude and an outstanding record of achievement. You should have a major in Management Information Systems, Computer Information Systems, Computer Science, or Engineering. We will also consider candidates with any academic major and a strong interest in business and information processing. In addition,

you must be flexible to relocate and travel. Finally, you must be a U.S. citizen or permanent resident. If you are a successful candidate, EDS will reward you with a competitive compensation package. And you're sure to thrive in our corporate environment where rewards are based on achievement — not seniority.

## TAKE THE FIRST STEP TOWARD JOINING THE GREATEST ALLIANCE IN AMERICAN BUSINESS HISTORY.

Contact your college placement office today to schedule an interview with a local EDS recruiter. Or, write to: Electronic Data Systems Corporation, 7171 Forest Lane, Dallas, TX 75230. (214) 661-6060. An Equal Opportunity Employer.
