FIRST:
NIGHT OF THE LIVING DEAD
Generally recognized as one of the best horror films ever made, the first of George Romero's zombie films has transcended its initial cult status to become a classic. The film imprisons the viewer in a terrifying world of corpses who crave human flesh. A pitched battle pits a handful of fugitives, barricaded in a lonely farmhouse, against the ravenous dead outside.

THEN...
DAWN OF THE DEAD
George Romero continues the story, unleashing his zombies once again in this incredibly tense and suspenseful film laced with a generous sense of humor. Rivalled only by Night of the Living Dead as the most intense horror cult film ever produced.

SEE BOTH SHOWS ONE PRICE \$2
(Second show only, price: \$1.50. Be there by 10:40 p.m.)
