TARTUFFE
Meet Tartuffe, a scoundrel and a pious impostor who worms his way into the confidence of the wealthy Orgon. Everyone else can see what a fraud Tartuffe is, and Orgon nearly loses everything before he sees it. too! It takes intervention by King Louis XIV himself before all is set right in the end. This classic comic farce is outrageously funny, with beautiful and elaborate costumes and a reproduction of 17th century style sets and lighting.
