easy  
step!*

**ROYAL Cavalier/1200  
One-step Correcting  
Portable Electric  
Typewriter**

For clean, professional typing at an affordable price, nothing beats the ROYAL Cavalier/1200. It's the smart choice for performance and value. The Cavalier/1200 features an easy-to-use, one-step, single-touch correction key that automatically backspaces and doesn't need to be kept depressed during corrections. The Cavalier/1200 also has a 12" carriage, electric return, pre-set tabs, a full 88-character keyboard and lots more. See how easy it is to type like a pro with the Cavalier/1200 at:

*A New Dimension  
in Professional  
Typing*

**ROYAL ALPHA  
2001 ELECTRONIC**

Royal has merged state-of-the-art electronic technology into its over 75 years of typewriter building experience to produce a revolutionary concept in typewriters — the Alpha 2001. A new dimension in personal typing is now at hand for those discriminating individuals who require rapid, effortless and professional looking typing. Interchangeable printwheels, dual pitch and a 20-character correction memory... all this and more in a professional typewriter.

Bring the electronic age to your personal typing.
