OLYMPUS XA

Weighing in at little more than 7 oz. and only 4"x2 1/2"x1 1/2", they're about the size of a pack of cigarettes. Yet, they produce the quality you expect of a big camera with Olympus sophistication. Never be caught without a 35mm camera again.

* XA has rangefinder focusing, 35mm 1:2.8 6-element lens with internal focusing, aperture priority automation with manual override.
