•The Outdoor Program will be celebrating **Bicycle Week**, a campus event, with a series of presentations on bicycle touring beginning Monday and lasting through May 23.

All activities are scheduled for 7:30 p.m. in the Outdoor Program Room at Suite 23 EMU with the exception of Monday's "Nooner" film series, which will begin at 12:30 p.m. in the Outdoor Program Room.

•Bicycle Week will kick off with this Monday's Nooner film series presentation of the Ultramarathon bicycle race **The Spenco 500**.

•There also will be an informal discussion session Monday night on **Bicycle Tour Planning**.

The session will focus on planning and preparing for a

multi-day tour. Peggy Douthit, a Bikecentennial, trans-American tour leader and Keith Nelson, a seasoned international tourer, will be on hand to answer touring questions.

•On Tuesday, Nelson and Douthit will discuss **Bicycle Touring Equipment** and clothing used for extended tours.

Topics will include selecting

panniers, helmets, racks, clothing and bicycle setup.

•On Wednesday, a demonstration of **On-The-Road Bicycle Repair** will be presented by James Macriganis of Pedal Power Bicycle Shop.

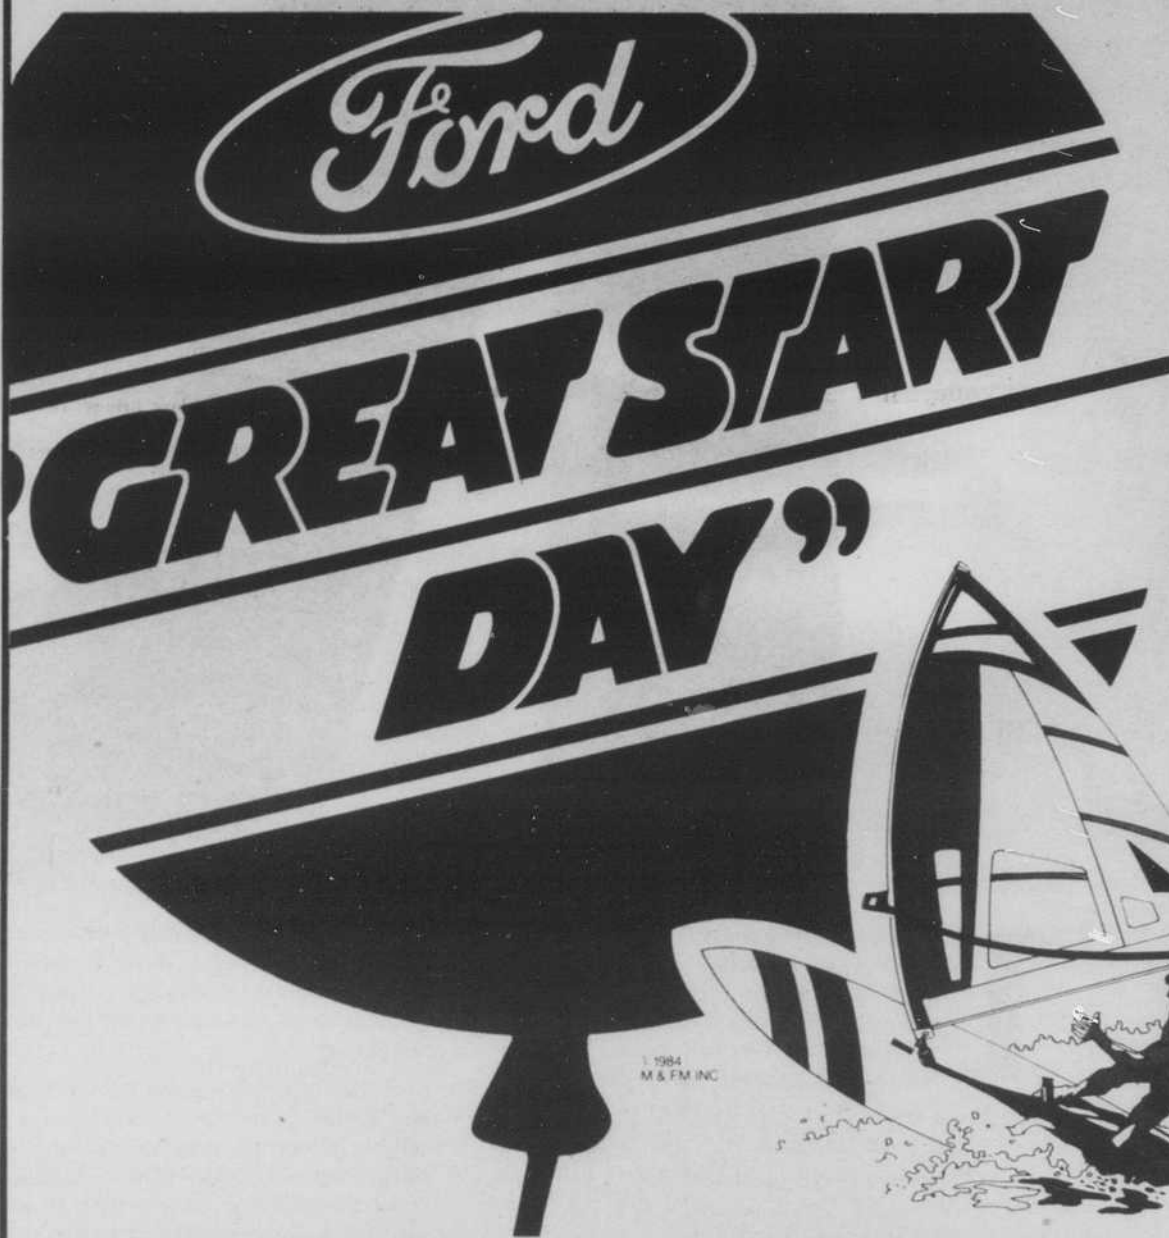

Topics will include tire repair, brake and derailleur adjustments, and lubrication. Pre-trip preventative maintenance also will be discussed.

On Thursday, the Outdoor Program's final presentation for Bicycle Week will be given by Tim Kaiser of Cycle-Bi Bicycles.
