COOPERATIVE:

JANET SMITH Co-op has cozy, modern single and double rooms, a newly built sunroof, and is a block from campus. **CAMPBELL CLUB** Co-op, the older of the two, has a gigantic, well stocked kitchen, high ceilings, and beautiful maple that flank Alder St. In the front yard.

Both houses are student owned and operated, which means that if you move in, you can actively participate in house government and proxies. We cook group meals for ourselves, meet as a group to discuss our goals and gripes, take trips in the cooperative's van; and the house provides laundry facilities, utilities, a fund for gatherings, and a unique atmosphere of personal interaction.
