CINEMA 7 NASTASSJA KINSKI

MARIA'S LOVERS.

"Nastassja Kinski, John Savage, Vincent Spano, Robert Mitchum in this fascinating film by Soviet expatriate director A. Konchalovsky about problems of adjustment between Marine (Savage) returning from World War II Japanese captivity to marriage with a woman (Kinski) he idolized too much for both their good. Interest in, forcefully acted drama with superb photography and phenomenal attention to 1946-47 period detail. Despite cast and authentic decor, the film still looks like a foreign film, which adds to its fascination."
