

about a German U-boat in World War II. "The reason I wanted to make this film was what takes place between these characters.

"At the beginning, Dennis is your typical American pilot who thinks he's great and others are nothing. There's a real hate between him and the Drac. Slowly they learn more about each other, and this turns into respect and eventually love. The story deals with prejudice against people who look and act different."

Nancy Mills

Clue

Will Miss Scarlett meet Colonel Mustard and Professor Plum in the library? Purpose of the meeting—murder".

Such were the sort of memoes flying around Paramount Pictures during production on the film of *Clue*, the perennially popular board game

which has taught three generations of children the conventions of the genteel, country house murder.

"Of course, it's a dream come true—though I haven't had any time to think about it," said the cheerful director and writer Johnathan Lynn, as he maneuvered a top-flight come-

dy cast including Eileen Brennan, Madeline Kahn, Martin Mull, Christopher Lloyd (*Back to the Future*), Tim Curry and Micheal McKean (*Spi-ritual Tap*) through the elaborate indoor sets for the mysterious mansions "somewhere on the Eastern seaboard," site of *Clue's* night of

mishaps, mayhem and murder.

Said Tim Curry (who plays the butler), "It's exhausting but it's the happiest film I've ever worked on. In fact, I wouldn't mind if I died tomorrow...but then, I may die tomorrow—Jonathan Lynn hasn't even told us how the film ends!" ♦

Get down to business faster. With the BA-35.

If there's one thing business students have always needed, this is it: an affordable, business-oriented calculator. The Texas Instruments BA-35, the Student Business Analyst.

Its built-in business formulas let you perform complicated finance, accounting and statistical functions—the ones that usually require a lot of time and a stack of reference books, to help you get the most out like present and future value

calculations, amortizations and balloon payments.

The BA-35 means you spend less time calculating, and more time learning. One keystroke takes the place of many.

The calculator is just part of the package. You also get a book that follows most business courses: the *Business Analyst Guidebook*. Business professors helped us write it, to help you get the most out of calculator and classroom.

A powerful combination.

Think business. With the BA-35 Student Business Analyst.
