**Parking spaces to be reserved for athletic club**

Fifty parking spaces on the first two levels of the Overpark on Oak Street in downtown Eugene will be reserved for customers of the Downtown Athletic Club, under terms of a rental agreement prepared by Scott Luell, of the city's Economic Development Department.

The parking spaces, now designated as free parking, will be supervised by the athletic club, which opened Dec. 31. A sky bridge connecting the club with the Overpark is now under construction.

Luell said he believes the arrangement with the Athletic Club will not affect other pay parking customers. Downtown employee permit parking will remain on the second level and above.

The Downtown Athletic Club is located in the historic Axbilly Building on the corner of 10th Avenue and Willamette Street.
