I know you're lonely for words that aren't spoken. While Lonely hearted lovers struggle in dark corners, Roy Orbison is singin' for the lonely; hey that's me, and I want you only. Don't you run back inside Girl, you know just what I'm here for. I don't wanna clip your wings, but a time comes when two people should think of these things. I want... to buy you a gold ring and a pretty dress of blue. Kel, just one kiss will get these things for you. 'Cause that thunder in your heart at night when you're kneelin' in the dark, and those secret places that no boy can fill; With your long hair fallin' and your eyes that shine like a midnight sun. There's so much that you want. You deserve much more than this, but tonight we'll be free; All the promises will be broken. And there are ghosts in the eyes of all the boys you sent away. Don't turn me home again. I just can't face myself alone again. Show a little faith; there's magic in the night. And that's all right... with me. Because... I believe in the love that you gave me. I believe in the hope that can save me.

Thanks Boss.
