

TYPO TERMINATOR.

Introducing the new Smith Corona typewriter with Spell-Right.™

Now, if wrds, wrods, worrds or wo ords fail you, this typewriter won't. The new Smith Corona with Spell-Right dictionary. It has an exclusive electronic correction system that actually detects mistakes before you do. Or better yet, before someone else does. Advanced, yes. But it's as simple as...

Beep! You've just misspelled a word. While you type, your spelling is constantly checked against a built-in electronic dictionary. You're warned with a beep the instant you misspell or mistype a word. Can you outspell Spell-Right? Unlikely. It's programmed with 35,000 words, 4 times the average vocabulary.

The Find feature zeros in on the mistake anywhere on the line. If you've made several mistakes, it finds them, too!

WordEraser™ lifts the whole word off. Just touch once

for one word. Twice for two. WordEraser correction even lets you type in the new word while it erases the old.

There are more futuristic features, too. Automatic Relocate, Auto Return, Auto Centering, Express Backspace, and Automatic Underline.

Also, Dual Pitch, Programmable Margins, Tabs and electronic end-of-page warning. With optional Messenger module, it even becomes a 10 cps letter-quality printer when you hook it up to your computer.

There's one more feature you'll like. The price. This advanced portable is incredibly affordable, which makes Spell-Right more than just a technological breakthrough. It makes Smith Corona the smartest typewriter you can buy.
