**Correction**

An article in Friday's Oregon Daily Emerald concerning the Athletic Department-sponsored ballot measure incorrectly listed the student support being requested as \$26.40 a term. The correct amount is \$25.40 a student a term.

The April 16 release of Doonesbury referred to James R. Harris in the context of Reagan

administration officials "who left office amidst charges of unethical behavior or criminal wrongdoing."

Harris should not have been on that list. The Universal Press Syndicate and the Emerald apologize for including his name, and the Emerald regrets any confusion these errors may have caused.
