

# "Remember the Alamo."

# "Remember the Maine."

# "Remember Newport."

How could anyone forget that day in 1983 when America suffered a humbling defeat?

That day when Australia took the America's Cup down under.

It's a defeat that still haunts us.

The crew of AMERICA II is determined to bring back the Cup. But they need your help. Help that will defray the expense of assembling the best sailors, the best engineers—and the most accomplished yacht designers.

Already thousands of Americans and our corporate sponsors—Amway, Cadillac Motor Car Division and Newsweek—have climbed aboard.

But your donation, large or small, could be the difference in the outcome of the races.

Your contribution of \$30 or more will entitle you to honorary crew membership and a subscription to the AMERICA II LOG newsletter.

Let's remember Newport. Make your tax deductible contribution payable to the U.S. Merchant Marine Academy Foundation (USMMAF)—AMERICA II and mail to AMERICA II, 3 Lee's Wharf, Deck A, Newport, R.I. 02840.

For more information call the AMERICA II office, 401/849-1987.
