

Lay it on the line.

Ask any Navy pilot. It doesn't come any more thrilling than this. Landing an F-14 on the rolling deck of a carrier at sea is a challenge that tests the skills of the best.

Navy flight training. Navigation. Aerodynamics. It's the best you can get. But along with the airborne thrills,

Navy pilots and flight officers get down-to-earth skills.

There is no boot camp. College graduates get leadership and management training at Aviation Officer Candidate School. It's challenge and responsibility. The satisfaction of knowing you're with a topflight team.

You can't beat the rewards either. An excellent starting salary. Unexcelled benefits. And opportunities to move up fast.
