Do You Always Get The Worm?

Are you always the one digging deeper, working harder, and following through with projects long after the others have gone? If you are, and if you are interested in working with other "Early Birds", then we would like you to apply for these openings.

The Oregon Daily Emerald Advertising Department currently has openings for apprenticeship positions throughout Spring term. These positions will turn into sales positions next year after intensive training in sales, marketing and general business procedures. The positions require use of a car (NO MOPEDS/BICYCLES), minimum one hour a day and of course unlimited enthusiasm and energy!

We have to be honest when we tell all those interested in applying for these jobs that the competition is tough. But, we always need qualified salespeople and now more than ever, experience on the 7th largest morning paper in Oregon will give you invaluable experience. Applications are available Room 300 EMU; 8 - 5pm.

Closing date: May 2, 1986
