Bridge closed

The main millrace bridge that carries traffic from Franklin Boulevard to the University Physical Plant was closed Saturday for two weeks for structural repairs.

Traffic into the Physical Plant parking areas will be limited to essential deliveries and will be routed to the plant road through the Coca Cola Bottling Co. property just east of the millrace bridge. Vehicles must leave by 5:30 each day.

Repairs to the bridge, which should cost approximately \$40,000, include new decking, walkway and railings.

Mother's Week Begins May 5. Send the FTD® Spring Garden Bouquet. Call or visit us today.
