SONG AND DANCE TROUPE

Dancin' and singin' to the top

"Come join us," a medley of rich voices cry out. "We've got magic to do, today!" sing members of the University's Song and Dance Troupe in their annual Spring Show, held in Beall Hall last Friday.

Composed of 16 members, the University Song and Dance Troupe performs for many civic groups and functions. Troupe members have performed for various University functions and banquets and for conventions held in Portland and Seattle, Washington.
