The True Story of the Real Alice in Wonderland.
Dreamchild

♦ ♦ ♦ ♦ ♦ The wittiest and most beguiling film in ages turns its fantasy on a trip to the United States by an 80-year old British grande dame, who was the model for "Alice in Wonderland." Coral Browne is absolutely marvelous as the tart old lady invited to speak at a 1932 celebration at Columbia University. She is haunted by memories of her childhood friendship with the shy and stuttering author who adored her, superbly played by Ian Holm. Carroll's serendipitous creatures are charmingly recreated by Jim Henson.
