"Smoldering Tale."
Adapted from Joyce Carol Oates' har-
rowing short story, "SMOOTH TALK"
is the smoldering tale of a jail-bait
California blond. Laura Dern captures
to perfection the inner confusion of
an adolescent coquette teetering on
the brink of womanhood. Lurking
behind dark sunglasses, a mysterious
stranger (is) played with riveting
macho intensity by Treat Williams.
Director Joyce Chopra does sustain
the chilling mood of this jarring, pro-
vocative movie."
