JIM NEWMAN'S B-DAY SONG

Well he was born an original sinner, well he was born from original sin, and if he had a dollar bill for all his hair that has fallen out, there'd be a mountain of money piled up to his chin. His mother told him be good, his mother told him be strong. She said, "get a toupee and you can't go wrong. But there's just one thing that you must understand, you're going to be bald by yur thirty, you're going to become the KOJAK MAN." The Kojak man has God on his side, going bald is something that one cannot hide. Blue-eyed looks from those college books, he doesn't have the body and he doesn't have the looks. There was a woman who was nasty and a six-pack in a tree, the Kojak man said, "Oh, golly-gee!!" He said, "Stop what you're doing, get down-upon your knees. I have a message for you, my has has begun to recede." 10-31
