LECTURES

Patricia Marchak, professor of sociology at the University of British Columbia, will speak on "Resource Policies and Single Industry Small Towns" today at 4 in the EMU Forum Room. Her talk will focus on the impacts of public and corporate policy in the wood products industry on small communities, comparing the situation in Oregon to British Columbia. The Canadian Studies Committee is sponsoring her visit.

The University EMU Child Care and Development Centers announced its sponsorship of the USDA Child Care Food Program. Meals will be made available to enrolled children at no separate charge without regard to race, color, handicap, age, sex, religion or national origin. Parents' income determines the amount of money Oregon Department of Education will reimburse to provide meals to enrolled children.

Deadline for submitting Et als to the Emerald front desk, 300 EMU, is noon the day before publication. Et als are run only once. Events with a donation or admission charge will not be considered. Events occurring nearest the publication date and campus events will be given priority.
