### Sandinistas cross border

TEGUCIGALPA, Honduras (AP) — U.S. helicopter pilots ferried Honduran reinforcements to the border Sunday to battle some 700 Nicaraguan soldiers who crossed the frontier, a U.S. Embassy official said.

The Honduran soldiers were being flown from the U.S.-operated air base at Palmerola, near Tegucigalpa, to the border town of Las Trojas, sources said.

In Managua, the Nicaraguan capital, Foreign Minister Miguel D'Escoto denied that any Nicaraguan troops were in Honduras and claimed instead that U.S. warplanes bombed two Nicaraguan villages Sunday afternoon, wounding eight people.

### Troops shoot Palestinian

BETHLEHEM, Occupied West Bank (AP) — Israeli troops shot and wounded a Palestinian youth Sunday as protesters pelted soldiers with rocks in a dozen towns and refugee camps, military and Palestinian sources said.

The clashes marred Christmas preparations at Manger Square in Bethlehem, where soldiers fired into the air to disperse a

handful of Palestinian protesters.

Israeli soldiers have killed three Palestinian youths since Thursday.

Violence spread Sunday to four Israeli university campuses, where hundreds of Jewish and Arab students protested in solidarity with Palestinians of the occupied West Bank and Gaza Strip.

### Congress wants details

WASHINGTON (AP) — Lawmakers from both parties Sunday welcomed President Reagan's concession that mistakes were made in carrying out his policy of arms sales to Iran, but they urged him to move further and faster in

disclosing details of the transactions.

"The right strategy is, No. 1, to come up front," said Sen. Ernest Hollings, D-S.C. "He said yesterday that he thought

some mistakes had been made. That's quite a concession."

Other prominent Democratic lawmakers, as well as members of the president's own party, echoed these sentiments.
