Could you use an extra \$100.00 a month this term?

There are lots of ways for a student to earn extra money. But most employers require regular hours. And even if your class schedule happens to fit your employer's needs, midterms and finals often don't.

If you're healthy and reliable, in two to four hours a week, being paid on the spot, you can earn up to \$100.00 cash a month! Easily on a flexible schedule to accommodate you. Become a blood/plasma donor. Once or twice a week, visit the nearby Hyland Donor Center. Donating plasma is simple and safe. In fact, the donation process, called "plasmapheresis," removes from the blood the only element it needs — the plasma. Other whole blood elements, the red cells, are returned to you. Want to know more? Need that cash now?
