

WHEN IS THE RIGHT TIME TO CALL YOUR PARENTS?

- a) **When you're stuck in your room because someone "pennied" your door.**
- b) **When you spent all your money playing video games and you still have to buy books for Developmental Psych.**
- c) **When you just miss hearing their voices and telling them what you've been doing.**

One thing about parents: they love to hear what you've been up to. But you should call them anyway.

And when they ask where you were last night, tell them that you always call using AT&T Long Distance Service because of AT&T's high quality service and exceptional value.

When they ask how your studies are going, remind them that AT&T gives you immediate credit if you dial a wrong number.

And when they ask about your plans for the weekend, note that you can count on AT&T for clear long distance connections.

And when, at last, they praise you for using AT&T, then—and only then—you might want to mention those Psych books.

AT&T

The right choice.
