

Macintosh, the computer you don't have to study to learn.

If you know how to point, you already know how to use Macintosh™, the most advanced Apple® Personal Computer.

No more wasted hours pouring through tedious manuals. No more complicated computer commands.

Because Macintosh lets you concentrate on what you want done. Not on how to get a computer to do it.

Our professional sales staff will answer all your questions and, of course, provide service and support.

So come in today and learn everything you need to know about Macintosh.

But don't plan on spending too much time. **Apple Computer**
