Our Constitution was born out of a cacophony of competing voices.

But today the freedom of speech that remains the hallmark of our Constitution may be threatened.

The NAAAF Essay Contest is designed to emphasize the importance of free speech and open debate in a vital area.

In his best-selling book, *They Dare to Speak Out: People and Institutions Confront Israel's Lobby*, former Congressman Paul Findley sounds an alarm: "It is clear that many Americans do not feel they can speak freely on one of the most complicated and challenging current issues: *The Arab-Israeli dispute.*"

Is he right? What do you think?

Full time college and university students are invited to submit a critical essay of 2,500 words or less on the subject "The Development of American Middle East Policy: Is Free Speech Threatened?"

There will be 200 regional winners of \$1,000 each and 10 national winners of an additional \$4,000 each.

The contest is sponsored by the NAAA Foundation, a charitable organization which carries out educational programs on Middle East subjects.

Television commentator Tom Braden serves as Honorary Chairman of the Selection Committee. Distinguished columnist Carl Rowan is Awards Chairman.
