The U of O Bookstore NON-PROFIT Corporation

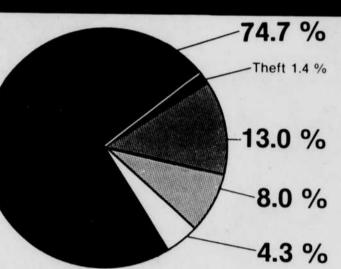

Bookstore

As a non-profit corporation, the UO Bookstore returns any financial success to you, the member. Over \$400,000 was returned last year directly to the membership through the 11 % Coursebook and General Book Discount. Only 15 of the 2,700 college bookstores nationwide offer a discount on texts, and the UO Bookstore is among the top 5 in the nation in dollar discount returned to students. Everyday low prices, special sales, and improved service help you to save more money.

Elected Board of Directors

Elected by UO students, faculty, and classified staff; the Board of Directors ensures that the Bookstore services the needs of its members. The Board's goals are to provide the best possible merchandise at the best possible price, giving highest priority to academic supplies. The Board of Directors guides the Bookstore in major decisions for the future and gives direction to the Bookstore's intents and purposes.
