Lachkar/Mooney & SPA: The Best Choice

Voting for next year's student government will take place today and Thursday. There is a lot at stake, and a number of candidates are seeking your support. Students for a Progressive Agenda (SPA) has endorsed Sarah Lachkar and Jodie Mooney for ASUO President and Vice-President.

SPA - A PROVEN RECORD OF ADVOCACY

PROJECT SAFERIDE:

Saferide, the rape prevention service, has been improved and expanded. During winter term alone, ridership exceeded 1,000 students. Rape statistics are down and we believe Project Saferide is one of the contributing factors.

CHILD CARE:

The ASUO Child Care Task Force was formed during the current SPA Administration. We are dedicated to improving facility conditions, improving services, and increasing both subsidies and the number of eligible student parents.

ACCESS TO BUILDINGS:

We have seen construction of the library ramp and installation of the EMU's automatic doors be accomplished by an SPA-affiliated ASUO. Since only 62% of the university's buildings are accessible, our goal is to make all campus buildings comply with federal regulations.

MEDIATION PROGRAM:

This year's ASUO established the

Mediation Program. Designed to resolve conflicts between students and other students, faculty, or administrators, this successful program will be continued by SPA next year.

WHAT NEXT!

We are committed to the improvement of child care services, campus safety, and access for the physically limited. We will insist upon increased student financial aid, responsible allocations of incidental fees, real enforcement of affirmative action and non-discrimination, plus the recruitment and retention of minority class members.

THE CANDIDATES-

SPA has endorsed Sarah Lachkar and Jodie Mooney for ASUO President and Vice-President. They both have extensive experience and care deeply about the issues that are important to students. They have SPA's full support because we know that they are the most qualified to lead next year's ASUO.

Vote for Responsible Activism.
