

Now there's more than one way to get through college.

If you want to get ahead in school, it helps if you choose a brilliant roommate. Like a Macintosh™ personal computer.

Of course, now that there are two to choose from, getting a Macintosh involves a little bit of decision-making.

But never fear. To get all the important facts, you need only read further.

MACINTOSH PLUS. THE POWER STANDARD.

We'll start with a dissertation on the Macintosh Plus—now widely accepted by students at colleges and universities all across the country.

You can master it in just a few hours of quality study time. Because all
