

TDK BRINGS OUT THE RECORDING ARTIST IN YOU.

Get ready for the performance of a lifetime. Nothing turns on your talent and ignites your fire like TDK high-bias audio cassettes. And once you try them, all others will seem like warm-up tapes.

Our newly formulated SA cassette delivers a feeling of presence and realism that is so intense — you'll feel the fire.

And for the hottest dimension of pure sonic fire, try TDK SA-X. From simmering lows to sizzling highs, it captures the full power of performance — without distortion.

Next time you break out your air guitar, don't play with cassettes that burn out just when the music's getting hot. Turn on to TDK high-bias audio cassettes and play with the brightest fire — forever.
