What is your opinion about the Gary Hart situation?

'I think Gary Hart should have been able to withstand the pressure. I think the media are wasting their time talking so much about the situation, but if Hart can't withstand that it is probably best that he is out of the race.'

— Jennifer Lovrien, graduate student,
romance languages.

'I think it is unfair because it seems as if the media were kind of gunning for him. I think that nobody is perfect, and he got unfair treatment.'

— Sharon Milani, junior, French.

'I think he didn't do anything that a lot of people haven't done. I think it has no bearing on his candidacy, and it was basically everyone getting caught up in scandals and looking for a new headline.'

— Mike Johnson, junior, Asian studies.

'I think the press did show a possible side of Gary Hart. I don't like Gary Hart very much so I think it is great, and I think people need to know what he did.'

— Kent Hill, freshman, pre-journalism.

'I think with the times being what they are the press needed to cover the issue, especially since Hart challenged them to do so.'

— Karen Rimsher, graduate student, journalism.

'I think that his attempt to separate personal morals from the moral choices he would make as a president is a pretty difficult one, and I don't really think he could do it.'

— Kyle Hammon, graduate student, biology.
