We need someone with a good back, strong stomach, level head and a big heart.

We have a unique opportunity for someone special. A chance to spend two years in another country. To live and work in another culture. To learn a new language and acquire new skills.

The person we're looking for might be a farmer, a forester, or a retired nurse. Or maybe a teacher, a mechanic, or a recent college graduate.

We need someone to join over 5,000 people already working in 60 developing countries around the world. To help people live better lives.

We need someone special. And we ask a lot. But only because so much is needed. If this sounds interesting to you, maybe you're the person we're looking for. A Peace Corps volunteer. Our representatives will be pleased to discuss the opportunities with you.

Peace Corps.
The toughest job you'll ever love.
