LIVE CONCERT Maharishi's Festival of Music for World Peace

Gandharvans Are Coming
to Eugene to

Play the Melodies of Gandharva Veda
to Create Harmony in Nature

Gandharva music is a precious discipline of Maharishi's Vedic Science, the science of life—to create balance in nature, eliminate stress in the atmosphere, and produce a healthy influence for the individual and peace for the world family.

Gandharva music is the classical music of the ancient Vedic civilization, which enjoyed heaven on earth. It is music that is in alliance with natural law. It upholds the natural rhythms that prevail at different times throughout the day and night.

Gandharva music makes a precious contribution to the creation of world peace—the use of sound, melody, and rhythm to restore balance and harmony in the mind, body, behavior, and environment.

To hasten the onset of world peace, Maharishi Schools of Gandharva Music are being

established throughout the world and courses will be offered in this beautiful science and art of creating balance in nature through music.

1987 is Maharishi's Year of World Peace, the Thirteenth Year of the Age of Enlightenment, and this music festival for world peace is being

presented simultaneously in more than 300 cities on all continents.

Enjoy an evening of Gandharva music performed by some of India's finest musicians. Come with your family and friends and participate in creating harmony in world consciousness.
