Michele & Ronnie

Here's a story of two lovely ladies who were escorts of two big hunks of men. There were four kids, going on a beach trip. Almost three months ago. Now it's winter term and we are psyched to party. The thank you's for that trip are overdue. So women, we call out to invite you to our teepee for a pot of beefy stew.

From the men of Eata Cox: Pi

P.S. Happy 21st Ronnie

is where I met you
Sanders?! Ross School?!
You're on crew?!
Now it has been
more than 3 full moons
since you told me your preference
for geeks, nerds and goons.
We always seem to be blabbing
about you or about I
or sometimes lofty things
an eye in the sky.
This poem really stinks
I hope J & D don't see
or there'll be no end to abuse
in apt 10 against me.
But we decided we could
make things a little more light
it may bring more fun
though it may bring a fight
So here's my attempt
at "spice-ing things up"
putting some happy
sugar in your cup.
I have a question for you:
the lady of balance
possessor of so many
wide ranging talents.
With your interests so varied
and your abilities so versatile
HOW IS IT THAT I'VE CAUGHT YOU
READING THE PERSONAL? Love B
