

Zionist crimes compare with Nazi Holocaust

By Fahad Alzarah

This is in response to David Shayne's letter (ODE, Jan. 10), when he challenged anyone to prove the Israelis engage in the same Nazi crimes against the Palestinians. No matter what I will write it will be discredited

Commentary

by those who support Israel as an attempt to distort the facts. For that reason I will only quote Jewish sources: In his book "The Decadence of Judaism in Our Time" Moshe Menuhin (former Zionist and father of the famous musician Yehudi Menuhin) wrote: "As a conscientious Jew, I feel it necessary to set forth my views on Jewish history after studying and observing for many years the lofty and dignified Judaic past of the pure ethics, philosophy and religion, on the one hand, and the current decadent, tragic and revolting perversion of it into boisterous 'Jewish' nationalism — Judaism turned into rampant Israelism — on the other" p.xi

Then he wrote about the Kafr Kassim massacre (Oct. 29, 1956): "At Kafr Kassim, 46

men, women and children were brutally massacred by the armed forces of the Israeli army border police, for no reason in the world except lust for murder." p. 186

Alfred M. Lilienthal in his book "The Zionist Connection" wrote about the same crimes committed by the Zionists in Palestine. But I liked to quote his account of the Dier Yassin massacre: "The town's inhabitants were ordered out into a square, where they were lined up against the wall and shot ... a man shot a bullet in the neck of a nine months pregnant woman. Then he cut her stomach open with a butcher's knife. Another woman was killed when she tried to extricate the unborn infant from the dead mother's womb." pp. 154-155

According to Noam Chomsky in his book "The Fateful Triangle"; this massacre was carried out by two Zionist movements — the Irgun Tsvai Lrumi led by the former prime minister of Israel Yitzhak Shamir. p. 94 Those are the leaders of Israel and this is how they founded it.

Then there was the Sabra and Shatilla Palestinian camps mas-

sacre (Sept. 29, 1982). Noam Chomsky wrote in the same book: "Throughout Thursday night, Israeli flares lighted the camps while the militias went about their work, methodically slaughtering the inhabitants. The massacre continued until Saturday, under the observation of the Israeli military a few hundred yards away. Bulldozers were used to scoop up bodies and cart them away or bury them under rubble." p.364

Then came the latest Israeli criminal policies in the West Bank and the Gaza Strip in order to crush the Palestinians' will, which resulted so far in the death of more than 360 Palestinian youths and the crippling and jailing of thousands.

Those criminal policies include indiscriminate shooting, beatings, torture, collective punishment, demolishing of family houses, detention without due process and deportation of individuals outside their country. Those criminal acts are clear violations of every human rights declaration and convention that has ever been established. Aren't those crimes

cruel enough to be compared to Nazi crimes?

I like to hear from other conscientious Jews, are you going to let the Zionists discredit your faith? Speak up against those cowards, while your people were murdered in Europe, they were busy smuggling young men, women and weapons to Palestine to create the

"Jewish State" ... Speak up like Moshe Menuhin, Alfred M. Lilienthal, Noam Chomsky, Rabbi Yosef Becher, Rabbi Dr. Elmer Berger, Dr. Bruno Kreisky, Dr. Israel Shahak, Dr. Uri Davis, Dr. Klaus Herrmann, Ben Hecht, Felicia Langer and many, many more.
