The following is a list of campus area crimes compiled from Office of Public Safety and Eugene Police Department reports between March 7 and 23:

- Fencing equipment worth a total of \$382 was reported stolen from a closet in Gerlinger Hall March 7.
- A chair worth \$200 was taken from a lounge in Hawthorne dorm March 10.
- Unknown suspects did \$300 damage to a pickup truck parked in the Bean Complex parking lot at 15th Avenue and Moss Street, and stole \$380 worth of stereo equipment and cassettes from the vehicle, as reported to OPS March 10. Entry was gained by punching the door lock on the driver's side.
- A backpack containing cash, identification, clothing and an umbrella was stolen from the University Bookstore, as reported to OPS March 10. The owner left the pack in the cubicles provided for bookstore shoppers, and returned a half-hour later to find it gone. In a related incident, another pack containing a calculator, books, keys and an umbrella also was stolen from the cubicles the same day.
- The District Attorney's office is investigating a reported assault which occurred in Spiller dorm March 12. The victim, escorted by a male friend, returned to her room to find a note from another male friend on her bed, asking her to call. Upon seeing the note, the male reportedly became upset, called the victim names and began physically assaulting her. She sustained abrasions to her face and was kicked and bruised. Another resident overheard the scuffle and opened the door to see the suspect pulling the victim's hair. The report, originally taken by OPS, has been turned over to the DA's office for prosecution.
- The theft of a radar detector and some cassettes from a car parked in the visitor's parking lot was reported to OPS March 13. Entry was gained to the vehicle by punching the lock on the driver's side door, resulting in about \$200 damage. The stolen contents were valued at \$255.
- A Nikon camera worth \$170 was stolen from

the Longhouse at 1612 Columbia St. during a dance for High School Equivalency Program (HEP) students March 13. The owner of the camera, a HEP instructor and chaperone at the dance, left the camera in the building and returned two hours later to find it missing.

- Four female dorm residents were observed taking \$217.50 worth of items from a catering kitchen in Bean Complex March 11. All of the items, including a case of potato chips, four cases of beer and five bottles of champagne, were recovered. The DA's office is following up on the incident.
- Unknown suspects did about \$535 damage to facilities at Autzen Stadium March 14. The suspects reportedly attempted to enter the press box, and in doing so damaged two door locks and an elevator call panel. Afterwards the suspects damaged four concession booths.
- A light pen worth \$171 used to read student IDs was stolen from the Hamilton dining hall March 16 after a pizza party.
- The theft of a videocassette recorder valued at \$800 was reported to EPD March 17. The recorder, belonging to the dance department, was in a room with a self-locking door but was not secured in any other way.
- EPD officers cited and released a man for second-degree criminal mischief early in the morning of March 18 after witnesses saw him damage a wall phone and glass from a fire extinguisher case in DeBusk dorm. The suspect, who is reportedly not a student, admitted to doing the damage, estimated at \$125.
- A couch worth almost \$400 was stolen from the University Inn March 20. Several residents reportedly saw subjects taking the couch, but did not stop the theft.
- Burglars entered an office in PLC March 23 and stole \$7,500 in computer equipment. EPD reports the suspects punched a hole through the office door's window and undid the lock. After cutting the cables securing two computers, the suspects removed the equipment and left the office, taping a laminated piece of paper over the hole in the window.
- In addition, OPS reports 10 bikes stolen, and one recovered.
