FEATURES

Spelling Whoops By Leslie Y. Dawson-Medina
You can do one of four things about your spelling problems: (1) get a computer with a spelling check program; (2) marry a good speller; (3) enroll in a course for the "spelling-disabled" or (4) read our article.

13

Cooperative Education By Ellen R. Cohen
"Go Co-Op!" The money's great. The contacts are super. And the job experience is priceless. One of the best ways to get an "edge" on the job market after graduation.

18

COVER STORY: Sandra Bernhard By Cindy Pearlman
A former manicurist to the stars who studied acting by night, she's now got fame, semi-fortune and friends in all the hippest circles.

24

Student Entrepreneurship By Adam Beaver
Don't hire friends. Do your homework. Find a target group. Keep ledger books. All of this and much more advice on how to get that innovation of the century off the ground—or simply get into an on-campus business.

34

DEPARTMENTS

CampusMail

Campus Scene:

Around and about America's college campuses; quotes and opinion, bicycle theft, no-F policy, women's studies.

6

Cars:

By Tim Furman

Looking at the growing range of models, from super power to super practicality, from top-of-the-line to tops in economy.

8

Hot Wax & Video Views:

By Cindy Pearlman

Record reviews: TPOH, Sheena Easton, Waterboys, Mica Paris, Fleetwood Mac. Videos: Lynyrd Skynyrd Tribute Tour, Business of Show Business, Roseanne Barr Show, Die Hard, Call Me, Young Guns.

14

Movies:

Current and coming; starring Eric Stoltz, John Ritter, Julianne Phillips, Christian Slater, Winona Ryder, Brad Johnson, Patrick Swayze, Mary Stuart Masterson, Robert Downey, Jr., John Candy, Ted Danson, and others.

16

Computer Talk

By Donna Barron

All about laptops, those neat looking clamshell-type portables, whose variety, power, and quality are improving. The facts on weight, price and buying strategies.

23

Fashion:

Summer swimwear preview. Everything's coming up bold. In colors and fabrics and, if you dare, high-thigh and thong.

28

CampusHealth:

By Roger McKay

Putting down the myths: about the common cold, osteoporosis, chlamydia and more.
